## Why use Choice Partners Cooperative?

Purchasing through a cooperative or inter-local contract meets Texas state law requirements for competitive procurement. You can buy goods and services from a Choice Partners vendor without conducting your own competitive process. Administered by the Texas Association of School Boards (TASB) and supported by the Texas Municipal League and Texas Association of Counties, Choice Partners contracts offer competitive pricing by leveraging the collective purchasing power of local governments.

## Do I still need to get three quotes?

Nope! That's the best part. Anything procured through Choice Partners automatically is in compliance with local and state requirements.

## Does it save me money?

Yes! You will get competitive pricing and reduce administrative costs. You can even qualify for member rebates!
